Please be aware that the product specifications you will find within the Car Configurator are for informational purposes only.

We strive to keep all the information on the Ferrari Car Configurator relevant and up to date. Since our products are subject to constant refinements and enhancements, modifications to our catalog of optional or special equipment, may occur. The availability of the options or special equipment you select will be confirmed by your dealer at a later stage. If you are interested in progressing this configuration - also in terms of applicable prices - into an order please finalize it with your Ferrari dealer.

The visual representation of colors and finishes, textures and surfaces and optional might differ based on the screen technology where the rendering takes place, or the type of printer that was used to produce the document.

All Special Equipment requests will be subject to Ferrari S.p.A. approval.
