

VF-e34

Boundless together

VF-e34

THE FIRST SMART EV IN VIETNAM

VinFast has launched VF e34, a modern and sleek C-SUV with smart technologies integrated, promises an enhanced experience for pioneering customer.

ENVIRONMENTAL FRIENDLINESS

COST EFFICIENCY

CONVENIENCE

SMART ENGAGEMENT, ENJOYABLE EXPERIENCE

Vietnamese-friendly virtual assistant enables natural engagement to inquiry, search information and control car function.

From online shopping, notification customization, service and charge station booking to battery rental management... Everything is available at your fingertip.

eCall, remote monitoring and intrusion warning, auto diagnose and suggest maintenance schedules through VinFast application... our smart safety features ensure to set your mind at rest.

Smart Firmware-Over-The-Air.
