## Drive the pride.

At Volkswagen, it takes more than the world's best engineers to build our cars. It takes heart. And pride. Crafted with passion and destined to make families across the country beam with joy at the sight of their driveways.

The Ameo is a result of years of research and dedication to deliver a perfect car that meets your every need. Designed and inspired by the country, coupled with Volkswagen's legendary build quality, safety and drivability. Taking things further, we've added segment-leading features and a bold, aerodynamic style. To give you a sedan that understands India, no compromises spared.

It's a car of many firsts. For you, as well as for us at Volkswagen. And with the Ameo, we celebrate German engineering at its finest, perfected specially to ignite that feeling called pride.

---

## Stylish, suave and refined. It's everything you aspired for.

From the moment you lay your eyes on the Volkswagen Ameo, you'll be drawn in by its unparalleled design aesthetics. Flowing lines glide along its elegant, muscular frame, forming its finely chiselled exteriors. While chrome hints on the body-coloured bumper and door handles seamlessly fit into its sporty bodyline.

---

The stylish Front Bumper<sup>1</sup> houses powerful Dual-beam Headlamps finished in black, giving it an unmistakably sleek look. While its sporty Alloy Wheels<sup>2</sup> and Electrically Foldable Outside Rear-view Mirrors with LED Turn Indicators<sup>3</sup> mean that the Volkswagen Ameo will always be dressed to impress.

Complementing its sharp styling is the aerodynamic design and stylish Tail Lamps<sup>4</sup>, which make for an imposing statement on the road. And why shouldn't it? After all, every detail commands your attention. In a way, it's a lot like you.

---

## A car that was thinking about you, even before you knew about it.

Everywhere you look inside the Volkswagen Ameo, you'll find features that have been intrinsically built keeping you in mind.

- Plush Desert Beige seats with height-adjustable headrests that give you a cushy, soft ride even on bumpy terrains
- Rear AC Vents<sup>4</sup> ensure that your loved ones stay as cool as you do, no matter the weather outside

**Get ready for the spotlight.**

**When expectations meet reality. And far exceed it.**

One look at the stylish dashboard and you'll know that the Volkswagen Ameo comes packed with a lot more than other sedans in the category. The state-of-the-art, multi-function Infotainment System gives you one-touch access to all your entertainment and connectivity.

A country that's on-the-go deserves a car that can keep up. And that's why the Ameo comes with a touchscreen Infotainment System which allows you to make calls, view messages and play your favourite tunes, all at the touch of a button.

And you can wave those parking woes goodbye, as the Reverse Parking Camera<sup>1</sup> and Rear Parking Sensor<sup>2</sup> give you the assured confidence to park in any tight spot. Go ahead, control it all, right from your seat. It's the kind of power you could get used to having.

**Get used to the attention.**

## Every drive, a journey of surprises.

The more you drive the Volkswagen Ameo, the more surprises you'll find, and the more you'll fall in love with it. When we decided to make a sedan especially for India, we designed it to be extra thoughtful on the inside, with several class-leading features:

- Cruise Control<sup>1</sup>, which makes every trip a breeze as you sit back and relax on a comfortable, steady speed
- The intelligent Rain Sensors<sup>2</sup> that automatically signal the wipers in case of a sudden downpour
- Climatronic<sup>3</sup> Air-conditioning also lets you set a cool, comfy temperature inside, no matter what season of the year it is
- The Auto-dimming Interior Rear-view Mirror<sup>4</sup>, to tackle headlight glares from cars behind you, for uninterrupted visibility on the road
- Remote-controlled Windows for added convenience and Pinch Guard for added safety
