Presenting the all-new
ISUZU V-Cross

Presenting the all-new
ISUZU V-Cross

Some things are born to attract attention.
And make heads turn. India's only adventure
utility vehicle, the ISUZU V-Cross, arrives in
a refreshed avatar.

Stunning 20

Showstopper

The all-new ISUZU V-Cross announces its presence, loud and clear. Cyborg Orca inspired front, sporty profile combined with characteristic sharp lines... one look is enough to take your breath away.

Sturdy

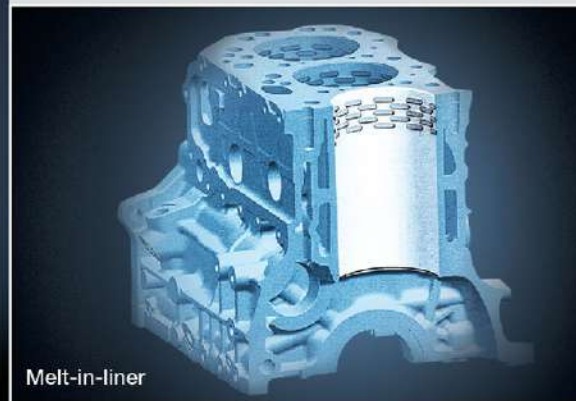

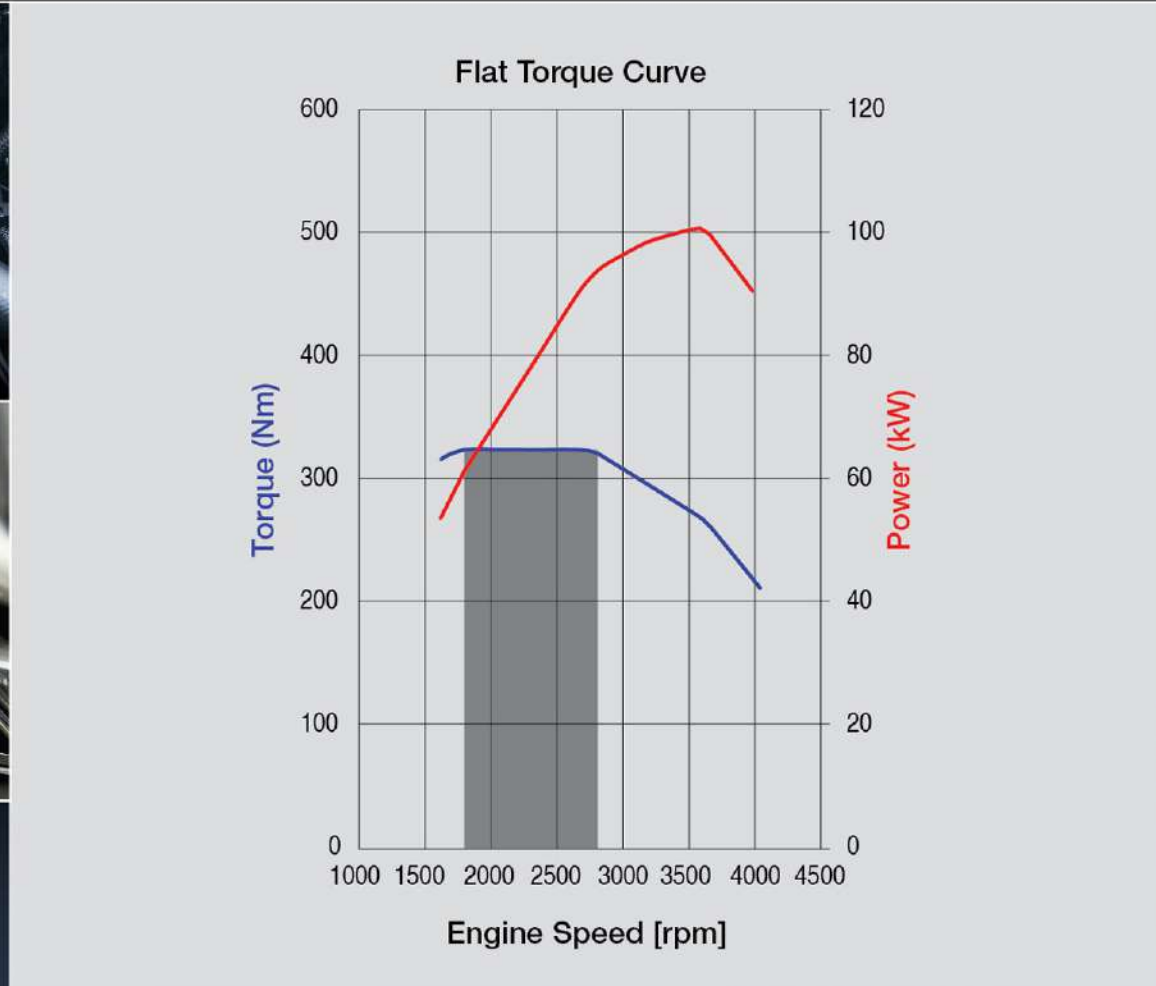

100 kW (134 hp) Turbocharged Diesel Engine with 320 Nm Flat Torque

VGS Turbocharger

Heavy Duty Steel Timing Chain

Melt-in-liner

Graphite Coated Piston

The all-new ISUZU V-Cross is robust and reliable. Discover an engineering marvel that adventure enthusiasts and urban explorers readily vouch for.

Endurance Tested for 40,00,000 km *

Aerodynamic Design

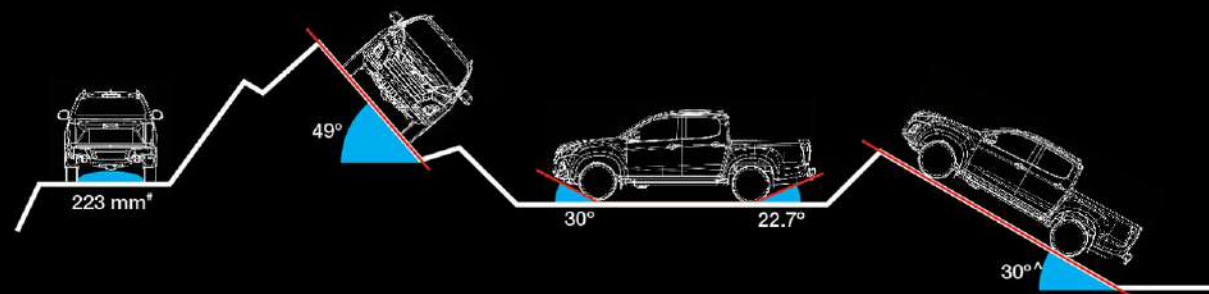

Isuzu Gravity Response Intelligent Platform

Shift-on-the-fly 4WD System

Superior Terrain Handling Ability**

Dominant

From unsuspecting weather to unexpected terrain, from highway commute to an adventure pursuit, the all-new ISUZU V-Cross takes on every road, every surprise in its stride.

*40,00,000 km is the sum of distance covered under various test conditions in multiple vehicles. **Comparative Representation only. ***The driver is responsible for assessing off-road situations, determining if the terrain is passable with using appropriate off-road driving techniques. The mentioned values are based on internal measurements done. ^4L mode. *Ground clearance under unladen condition.

Fortress

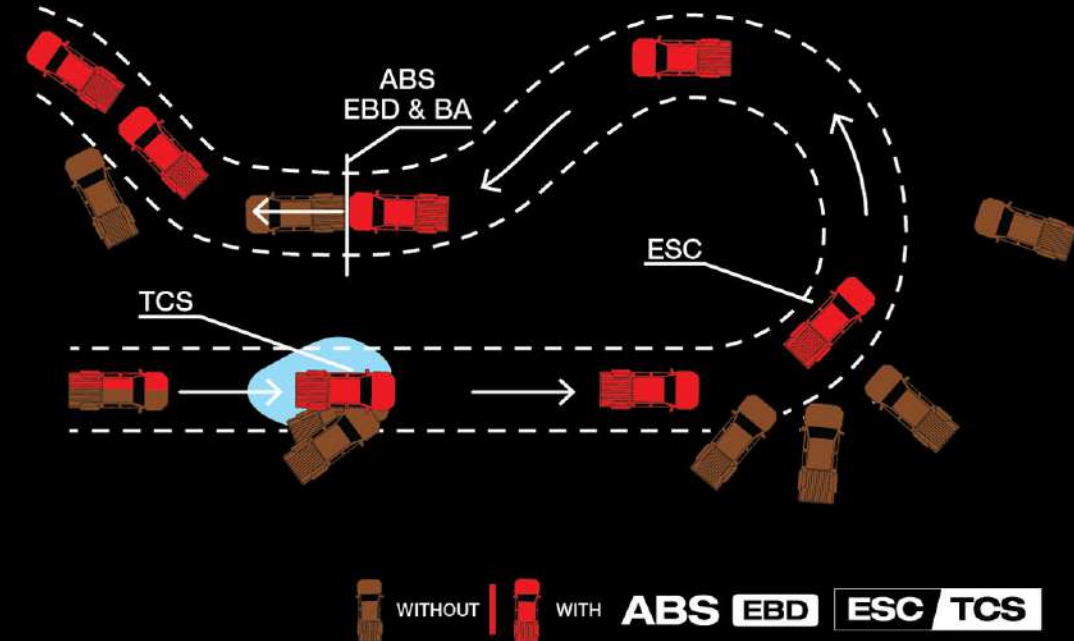

High Tensile Steel Body
Side Anti-intrusion Bars
Crumple Zones

Rear View Camera
