Volkswagen Service	27

It's for those who aren't just defined by their designations. Or the long list of awards and accolades they've picked along the way. Or by the length and breadth of the corner offices they've claimed. It's for those who've grown beyond it. Who understand that learning never stops even after you've reached the top. For the ones on this endless journey of self-growth, we've built the perfect companion. The Volkswagen Tiguan. It's made

**for the journeys  
within.**

Lightweight R18 Alloys

LED Headlamps with Daytime Running Lights

LED Tail Lamps

Chrome-finished Grille

## Dressed to lead.

The Tiguan is designed to make a powerful statement. Its muscular hood contours and chrome-finished grille create a lasting first impression. A bold character line runs from front to back, giving it a chiselled look. While its sleek body and sharply sculpted lines give it an edge over others.

**The view from  
the top.**

Panoramic Sunroof

## It all starts within.

Keyless Access

Touchscreen Multi-functional Display

Electrically Adjustable Driver Seat

Sporty Flat-bottom Steering Wheel

Reverse Parking Camera

The Tiguan gives you a sense of how comfortable the journey is going to be, even before you begin it. The keyless access automatically unlocks the car as you approach it and lets you start the engine with just a push of a button. Inside, the Tiguan is armed with an all-black cabin and Vienna leather seating, bringing class and comfort to the toughest of journeys. The Tiguan's superior craftsmanship can be seen in every detail. Be it the contoured Soft-touch Dashboard or its elegantly designed chrome-finished highlights.

Designed with an equal measure of style and sensibility, its 12-way electrically adjustable driver seat is designed to fit your body posture. The Touchscreen Infotainment System lets you access all your favourite apps from your smartphone. While the ambient lighting sets the right mood for your journey. Above all, the Panoramic Sunroof blends seamlessly into the cabin, letting you carry a piece of the sky with you, wherever your journey takes you.

**Start your journey on the right foot.**

The boot opens simply by moving a foot in front of the sensor. Press a button or allow the Easy Close function to shut it automatically as you move away from it.

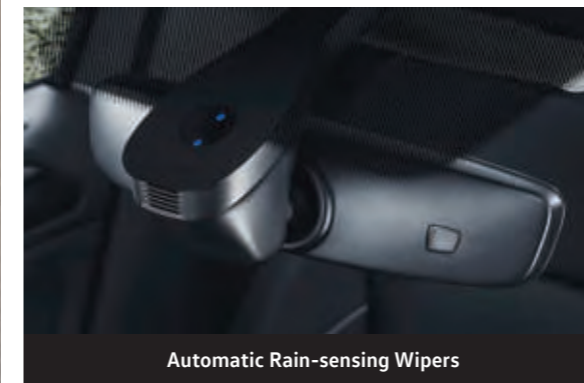

Height-adjustable Luggage Compartment

3-zone Climatronic A/C

Automatic Rain-sensing Wipers

Cooled Glovebox

# Drive easy.

Even the toughest of journeys feel a lot more comfortable with the conveniences a Tiguan provides. Its 3-zone Climatronic A/C with air intensity control and automatic air recirculation lets the driver, front passenger and rear seat passengers choose the temperature that suits them. The height-adjustable luggage compartment lets you pack in a lot more for the ride with a luggage capacity of 615 litres with the seats up and up to 1665 litres with folded seats.

In case of a downpour, the Automatic Rain Sensors regulates the frequency of the wipers according to how heavily it's raining. Add to it, the conveniences of a Cooled Glovebox and a Front Arm Rest with Cup Holder and you're all set to embark on your next journey.

4Motion Drive Control

7-speed Automatic DSG

## For seats that wield power.

The Tiguan's legendary 2.0L TDI engine lets you take charge on the road with 143PS and 340NM torque. But still manages to maintain the perfect balance between power and efficiency by keeping fuel consumption at 16.65 Kmpl\*.

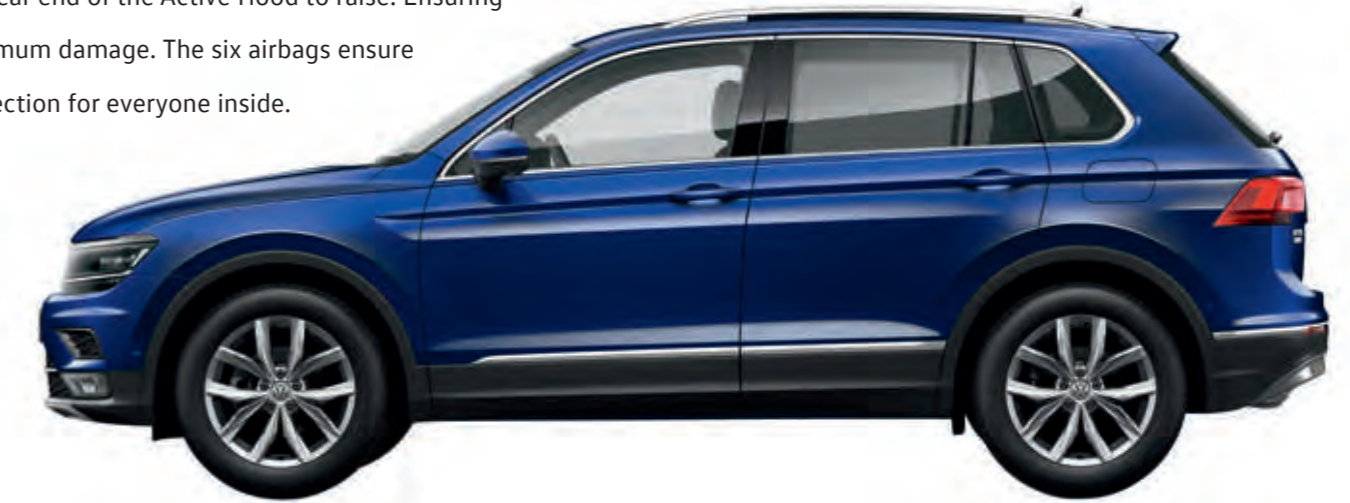

The 4Motion system helps negotiate with the toughest of roads by imparting precise traction to all 4 wheels ensuring optimum efficiency while the Drive Mode Selector makes driving effortless across terrains. Choose from On-road, Off-road, Individual and Snow to retain control over the terrain your journey takes you to. And while you're on it, make the most of a smooth shifting experience that a 7-speed Automatic DSG Transmission brings to the table. Slide down the shifter and press the Sports Mode to get into boss mode.

\*Test results of Rule 115 of CMVR. Internal test data.

## Stay in charge.

The Tiguan is more than just a tough machine; precision German engineering gives it that invisible feature that makes it one of the safest in its class - Intuition. One you'll feel in the Electronic Stabilisation Programme, a technology that improves the vehicle's stability by detecting and reducing any loss of traction. The Self-sealing tyres give you enough confidence to drive even when one of its tyres is damaged. The advanced Anti-lock Braking System stops the wheels from locking up, avoiding any unexpected skid. Its Automatic Headlamp Activation ensures that you have ample light whenever required. For the times your adventure demands a steep climb, the Hill-hold mitigates chances of

rolling down while trying to pull away on the gradient. And while you come down edgy slopes, the Hill Descent Control takes control and makes driving down, safe and effortless. The Active Hood is positioned for pedestrian safety on the road. In case of collision, the front bumper sensor signals the rear end of the Active Hood to raise. Ensuring minimum damage. The six airbags ensure protection for everyone inside.

## Peace of mind, all along the way.

### Volkswagen 4EVER Care

Volkswagen packs in a little extra for your journey. Get a wide range of benefits like 4 Year Standard Warranty, 4 Year Roadside Assistance and 3 Free Services\* on your Tiguan. All to keep you at peace, wherever your journey takes you.

**3-year Paint Warranty and 12-year Anti-perforation Warranty:** The paintwork of the Tiguan is covered against manufacturing defects for a period up to 3 years and the vehicle body parts for a period of 12 years from the date of sale against perforation caused by corrosion. Naturally, the Tiguan must be cared for in compliance with the operating instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

**Volkswagen Roadside Assistance:** Every new car is registered for Volkswagen India Roadside Assistance for 2 years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for either 1 or 2 additional years. **24 x7 Roadside Assistance Helpline: 1800 102 1155 / 1800 419 1155.**

**Periodic Maintenance:** The service interval of your Volkswagen is scheduled for every 15,000 kilometres or one year. With a one-time free inspection at 7,500 kilometres or 6 months, whichever is earlier.

### 3 Complimentary Services\*

- Swagat @ 1,000 kilometers / 1 month – 10-Point Safety Check
- 7,500 kilometers / 6 months – 40-point Free Inspection
- 15,000 kilometers / 1 year – Labour-free Periodic Maintenance Service Interval

**Please note:** The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer, who is regularly updated with any change in specifications. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes.

\*Terms and conditions apply.

**24x7 Customer Care Helpline: 1800 102 0909.**

## Volkswagen Service App

**Everything you need to know about Volkswagen. Now on-the-go.**

The Volkswagen Service Mobile Application is your reliable and smart assistant on-the-go. You can get information on standard service labour charges, Volkswagen dealer network and explanation of various indicators on the car's dashboard. It enables you to get connected with Volkswagen Customer Care and Roadside Assistance at a click of a button. It also facilitates prospective customers to book a test-drive and get information on Volkswagen's India line-up of cars and the latest tips and offers. So, stay connected.

Scan the QR code to download the app.
